

PILAR MARTÍN-PEÑA ROJO

VIDEOGAME DESIGNER || PRODUCER

PROFILE

I am a driven game designer with +3 years of hands-on experience designing and testing mechanics with a **strong emphasis on game feel, player experience and gameplay systems** to tailor the experience to player expectations. Furthermore, I am a fast learner with **strong communication and teamwork skills**. In my spare time, I enjoy **analyzing** and self **educating** myself in **different and innovative design aspects**.

CORE SKILLS

- **Mechanics design:** Player mechanics, economy mechanics, QA and game feel
- **Level design:** player guidance, environment distribution
- **Soft skills:** Clear design documentation, rapid iteration, bilingual communication (ES/EN)

WORK EXPERIENCE

Mechanic games: Healthy Jeart

January 2023 - April- 2023

Intern designer

- Developed items and power-ups that enhanced the healthy/unhealthy mechanics, focusing on **positive game feel feedback**.
- Designed and **balanced game mechanics** to ensure engaging and educational gameplay.
- Created **documentation** to maintain balance and gameplay flow.
- Designed **user-friendly interface** mock-ups in Adobe XD.
- Participated in challenge and prize design to **motivate player engagement**.
- **Conducted extensive testing to refine balance and overall game experience.**

Mechanic games: Crea tu propio monstruo

May 2023 - June 2023

Intern designer

- Created multiple mini-games with unique mechanics to enhance gameplay variety.
- **Balanced and iterated** on game mechanics and level design using Unity to **ensure a smooth player experience**.
- Provided **clear, structured documentation** through Google Docs and Google Sheets to guide development.

Wild Alchemists: Hot Potato (In development)

2023-present

Designer and producer

- Led the production and game design processes, ensuring seamless coordination between design and development teams.
- Developed key game mechanics, **focusing on player expectations and game feel**
- Managed a multidisciplinary team, motivating and leading members to deliver high-quality work within tight timelines.
- Provided documentation and timelines, balancing creative vision with project feasibility.

JAP Productions: Block City (Indie project)

2024- 2025 (6 months)

Designer and producer

- Designed the core game loop, focusing on player engagement and alignment with the game's vision.
- Led the full production cycle, ensuring all team members were aligned on goals and milestones.
- **Tested extensively** the game mechanics to ensure smoothness and a progressive game flow
- **Created essential documentation**, including design documentation, production plans, and task guidelines, to maintain clarity and organization across the project.
